About us

Teeparam Traders Limited is a fast-emerging FMCG Distributors and Wholesalers in branded Food and Non-Food Lines with a vast network across the UK.

We are a family business, with our key focus on extending excellent service and wide product range at competitive prices. Given being established in 2019, we have managed to amass a large customer base of independent retailers i.e. corner shops, convenience stores, gas stations, market traders, van sales, caterers, takeaways and restaurants.

We take pride in our exhaustive product range of more than 7,000 lines that are ever expanding to keep up with our growing customer demands.
